Sir,

Adverting to Government Proceedings No.538-41/M.F.150-22-44 dated 22nd October 1923 directing the abolition of the chattram at Sira, I have the honor to submit herewith copy of letter H.C.No.296/22-23 dated 29th January 1925 from the Deputy Commissioner, Tumkur District, stating that the dilapidated building was pulled down and the materials were disposed of by auction already and recommending - that sanction may be accorded to permit Mr. Papanna of messrs ----- Puttanna Papanna, Bark - mondy, Civil & Military station, to construct at a cost of Rs.5000/- a rest-house on the site in accordance with -- the plan and estimate to be approved by the Deputy Commissioner and hand it over to the Sira Municipality for maintenance and upkeep.

In view of the circumstances reported, I beg to support the Deputy Commissioner's recommendation and to solicit sanction of Government to permit Mr. Papanna to construct the building on the old --- chattram site subject to the conditions specified in the Deputy Commissioners letter and Mr. Papanna's petitions dated 5th and 6th June 1924 enclosed in the records.

2. The available vessels of the chattram may be order to be sold by auction and the proceeds credited to "Chattram savings fund."

3. As regards the continuance of nenimi allowance to Gowramma -- (Vide your letter No.266/M.F.103-24-6 dated 21-6-24), I beg to recommend that having regard to her infirm and destitute condition, a cash ----

payment of Rs.4/- in lieu of rice allowance may be ordered to be paid during her life-time, the cost being met from the "chattram savings Fund" to which was added the tasdik grant of the abolished chattram as also the surplus funds available to its credit.

I have the honor to be,

Sir,

Your most obedient servant,

K Reandy

Muzrai Commissioner.

KSR.

Letter No.296/22-23 dated the 29th January 1925 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.215/22-23 dated 16th November 1923, forwarding a copy of Government Order No.538-41/M.F.150-22-24 --- dated 22nd October 1923 abolishing the Annachattram at Sira and directing that the building should be handed over to the Municipality or the District Board and that in the event of their not willing to take it up, to sell it and credit the realisation to the Muzrai Funds and also calling for a report on the action taken, I have the honor to state that the Chattram in which feeding was stopped in 1915 with a view to effect savings sufficient to rebuild the dilapidated chattra was finally abolished and the materials auctioned, and that when the site was proposed to be handed over to the Local Bodies, the President District Board, stated that in their meeting held on 31st May 1924 it was resolved that the site be given over to the Sira Municipality, who were desirous of constructing a Mussafirkhana as the Taluk Board had already one under their management in the place. The Sira ---- Municipal Council accordingly decided to take possession of the site in question and construct another Musafirkhana over it, which being situated in the heart of the town, was considered to be very convenien to the travellers.

2. When the matter stood thus, a registered petition from Mr. Papanna of the famous firm of Papanna-Puttanna of Bangalore Contonment was received in this office on 11th June 1924, stating that when the petitioner had gone to Sira on his own basiness, the Vice-President Mr. Sorappa and others of the Sira Town Municipality desired him to construct a rest house on the chattram site, that he consented to do so and that if permission is granted he is prepared to build a rest house at a cost of Rs.5,000/- and in accordance with the plan and estimate to be approved by Government and hand it over to the Municipality on condition of their maintaining the same, appointing a caretaker etc., The Amildar president, to whom this petition was forwarded reports that the Municipal Council have resolved in their -- meeting dated the 30th June 1924 that the request of Mr. Papanna being very praiseworthy, the same may be recommended to Government for -- sanction. A copy of their resolution is enclosed for favour of

perusal.

perusal. I therefore request that sanction of Government may kindly be obtained to permit Mr. Papanna to construct a rest house on the chattram site in accordance with the plan and estimate to be approved by the Deputy Commissioner and hand it over, when completed, to the Sira Municipality for its further maintenance and up-keep.

3. As regards your letter No.P.C.176/23-24 dated 4th March 1924, calling for a list of vessels and other articles belonging to the abolished chattram I have to state that the Amildar reports that when the feeding in the chattram was suspended in 1915, the then Parpathyegar of the Institution handed over, according to the enclosed list, to the Taluk Office, 24 vessels of which seven are stated to be missing and that the matter would be enquired into and a report submitted for orders. With regard to the vessels now in existence which are all reported to be very old and worn out, I propose that they may be auctioned and the proceeds credited to the Muzrai Fund (vide Government order No.564-5/Muz.90-24-1 dated the 17th October 1924.)

4. The only other question that remains to be disposed of in connection with this chattram, is the petition of the Gowramma, (a blind woman,) complaining that the allowance of Rs.4/- that was being granted to her from this chattram has been stopped (vide your letter No.C.261 24-25 dated the 19th September 1924). The enquiry instituted in this behalf goes to show that a sum of Rs.4/- (probably in lieu of rice --- grant) was being paid to this old and blind woman from the funds of the Annachattram and that as there were ~~xxx~~ no definite instructions in the Government Order No.538/41/Muz.150-22-44 dated the 22nd October - 1923, regarding such claims, the disbursement of the allowance has been suspended by the Amildar from the month of November 1923. This --- woman is said to be blind and was in the enjoyment of this gratuity at the hands of Government. I am therefore of opinion that it may be ~~xxxxx~~ continued for her life time."
